PHARMACOLOGY:

Temvit Gold® Tablet contains vitamin A, D, E, C, K, B-complex and minerals: Iron, Copper, Manganese, Zinc, Potassium and Iodine. Vitamins and minerals are essential for normal metabolic functions including hematopoiesis. The members of vitamin B-group are components of enzyme system that regulate various stages of carbohydrate, fat and protein metabolism, each of the components playing a specific biological role. Vitamin C is involved in tissue repair and collagen formation. Vitamin A plays an essential role in the function of retina and is essential for growth and differentiation of epithelial tissue. Vitamin E is an antioxidant which preserves essential cellular constituents. Vitamin D is supplemented for prevention and cure of systems which perform vital cellular functions.

INDICATION:

Temvit Gold® Tablet is indicated for the prevention and treatment of vitamin, mineral and trace element deficiencies. As a complete daily nutritional supplement Temvit Gold® Tablet is also indicated to meet the increased demands for vitamins and minerals.

DOSE & ADMINISTRATION:

Orally one tablet daily for adult or as directed by the physician.

CONTRA-INDICATION:

Temvit Gold® Tablet is contraindicated in patients with known hypersensitivity to any of the ingredients.

WARNING AND PRECAUTION:

Long term intake of high levels of vitamin A (Excluding that sourced from Beta carotene) may increase the risk of osteoporosis in postmenopausal women. Do not take this product if taking other vitamin A supplements.

SIDE EFFECTS:

Generally, this preparation is well tolerated. Diarrhea may occasionally occur during treatment with beta carotene and the skin may assume a slightly yellow discoloration. The side effects of vitamin A are reversible. Vitamin C and vitamin E may cause diarrhea and other gastrointestinal disturbances.

USE IN PREGNANCY & LACTATION:

Recommended by the consultation with physician.

USE IN CHILDREN & ADOLESCENTS:

Not recommended

DRUG INTERACTION:

No drug interactions have been reported.

OVERDOSE:

Taking more medication will not improve the symptoms, rather it may cause poisoning or serious side effects.

STORAGE:

Store in a dry and cool place below 30° C temperature and keep away from light and moisture. Keep out of reach of children.

COMMERCIAL PACKING:

Temvit Gold® Tablet in Strip: Each box containing 5x10's Tablets in Alu-PVDC blister pack.
